

# Two Track Athletes Are Given Long Suspension by South Atlantic Committee

## FOUR MONTHS' BAN ON TWO AMATEURS

South Atlantic Committee Fixes Suspension of Warner and Hihn.

## TRIANGULAR POOL MEET SANCTIONED

Event to Be Held at the Baltimore Athletic Club on March 11.

The registration committee of the South Atlantic Association of the Amateur Athletic Union, has fixed the terms of suspension of A. Fred Warner, of the Baltimore Cross Country Club, and J. B. Hihn, of the Fifth Regiment Athletic Association, at four months. These men were indefinitely suspended for ungentlemanly conduct at the games held by Johns Hopkins University and the Fifth Regiment Athletic Association in Baltimore, February 11, 1911. The suspension will expire June 11, 1911.

The registration committee has granted a sanction to the Baltimore Athletic Club for a triangular swimming meet between the Baltimore Athletic Club and the Baltimore Central Y. M. C. A. and the Doyle Athletic Club, to be held Saturday, March 11, 1911, at the Baltimore Athletic Club.

The registration committee warns all registered basketball teams against playing games with the Ordway basketball team of the District of Columbia, as the latter team is unsanctioned, and the members of the team are unregistered athletes.

Upon the recommendation of the registration committee of the South Atlantic Association the governing committee of the Association has declared James W. Colley, of the Washington Y. M. C. A., a professional, upon charges brought by Maurice A. Joyce. Mr. Joyce charged Mr. Colley with giving an acrobatic performance for money, at the Elks' benefit, held at the Benning race track in June, 1908, and the charges were sustained at a hearing held February 22, 1911. Mr. Colley was registered in the Athletic League of North America, which organization is affiliated with the Amateur Athletic Union.

## Harvard Will Get New English Rowing Shells

CAMBRIDGE, Mass., March 7.—Harvard after all is going to have two new English rowing shells for the Yale boat races at New London next June. The athletic management has just ordered the new boats from Sims, the English boat builder, who has furnished the Cambridge crew with its shells for several years.

The eight-oared shell and the four-oar, gifts of two Harvard graduates, which were badly smashed while being brought across the water, will not be repaired with the view of using them in the annual boat races on the Thames. The smashed boats were viewed by an expert, and while they doubtless will be patched up they will play no part in the big races.

The new boats will be exactly like the ones that were damaged by insurance, as the management has decided to have a date after its own commencement, which comes on June 28, and that Yale continues stanch in its determination to have a date with Harvard.

In the meantime the Harvard rowing men are besieged by letters from class secretaries, whose plans for commencement celebrations are being held up.

## Bert Keyes' Beating Will Prove a Setback

NEW YORK, March 7.—Fight authorities agree that Bert Keyes' suffers a setback through the trouncing given last night by Joe Bedell.

One of the Quaker's ribs was broken in the third round by Bedell's persistent pounding, but he fought on gamely through the ten rounds, although suffering excruciating pain. Keyes' defeat occasioned no little surprise, especially in view of the good showing he made against Knockout Brown recently.

## Princeton's Best Man Disabled at Practice

PRINCETON, N. J., March 7.—At the Princeton infirmary today it was said that Pendleton, Princeton's greatest athlete, who broke a small bone in his ankle in baseball practice Saturday, would be unable to play until near the close of the season.

He was the leading candidate for shortstop.

## Departmental League Meeting Called By Chance

A meeting of the Departmental League has been called by President M. O. Chance to be held in his office in the Postoffice building for the purpose of reorganization.

It is expected that the many rumors about the dropping out of several teams and the dissolution of the league will be sprinkled with cold water at the meeting, as the league officials are advised that but one team, the Commissioners, will not be a member of the circuit this season. The Patent Office Treasury, and Interior are expected to make application for membership. In this event, the withdrawal of one team would not cause the organization any embarrassment.

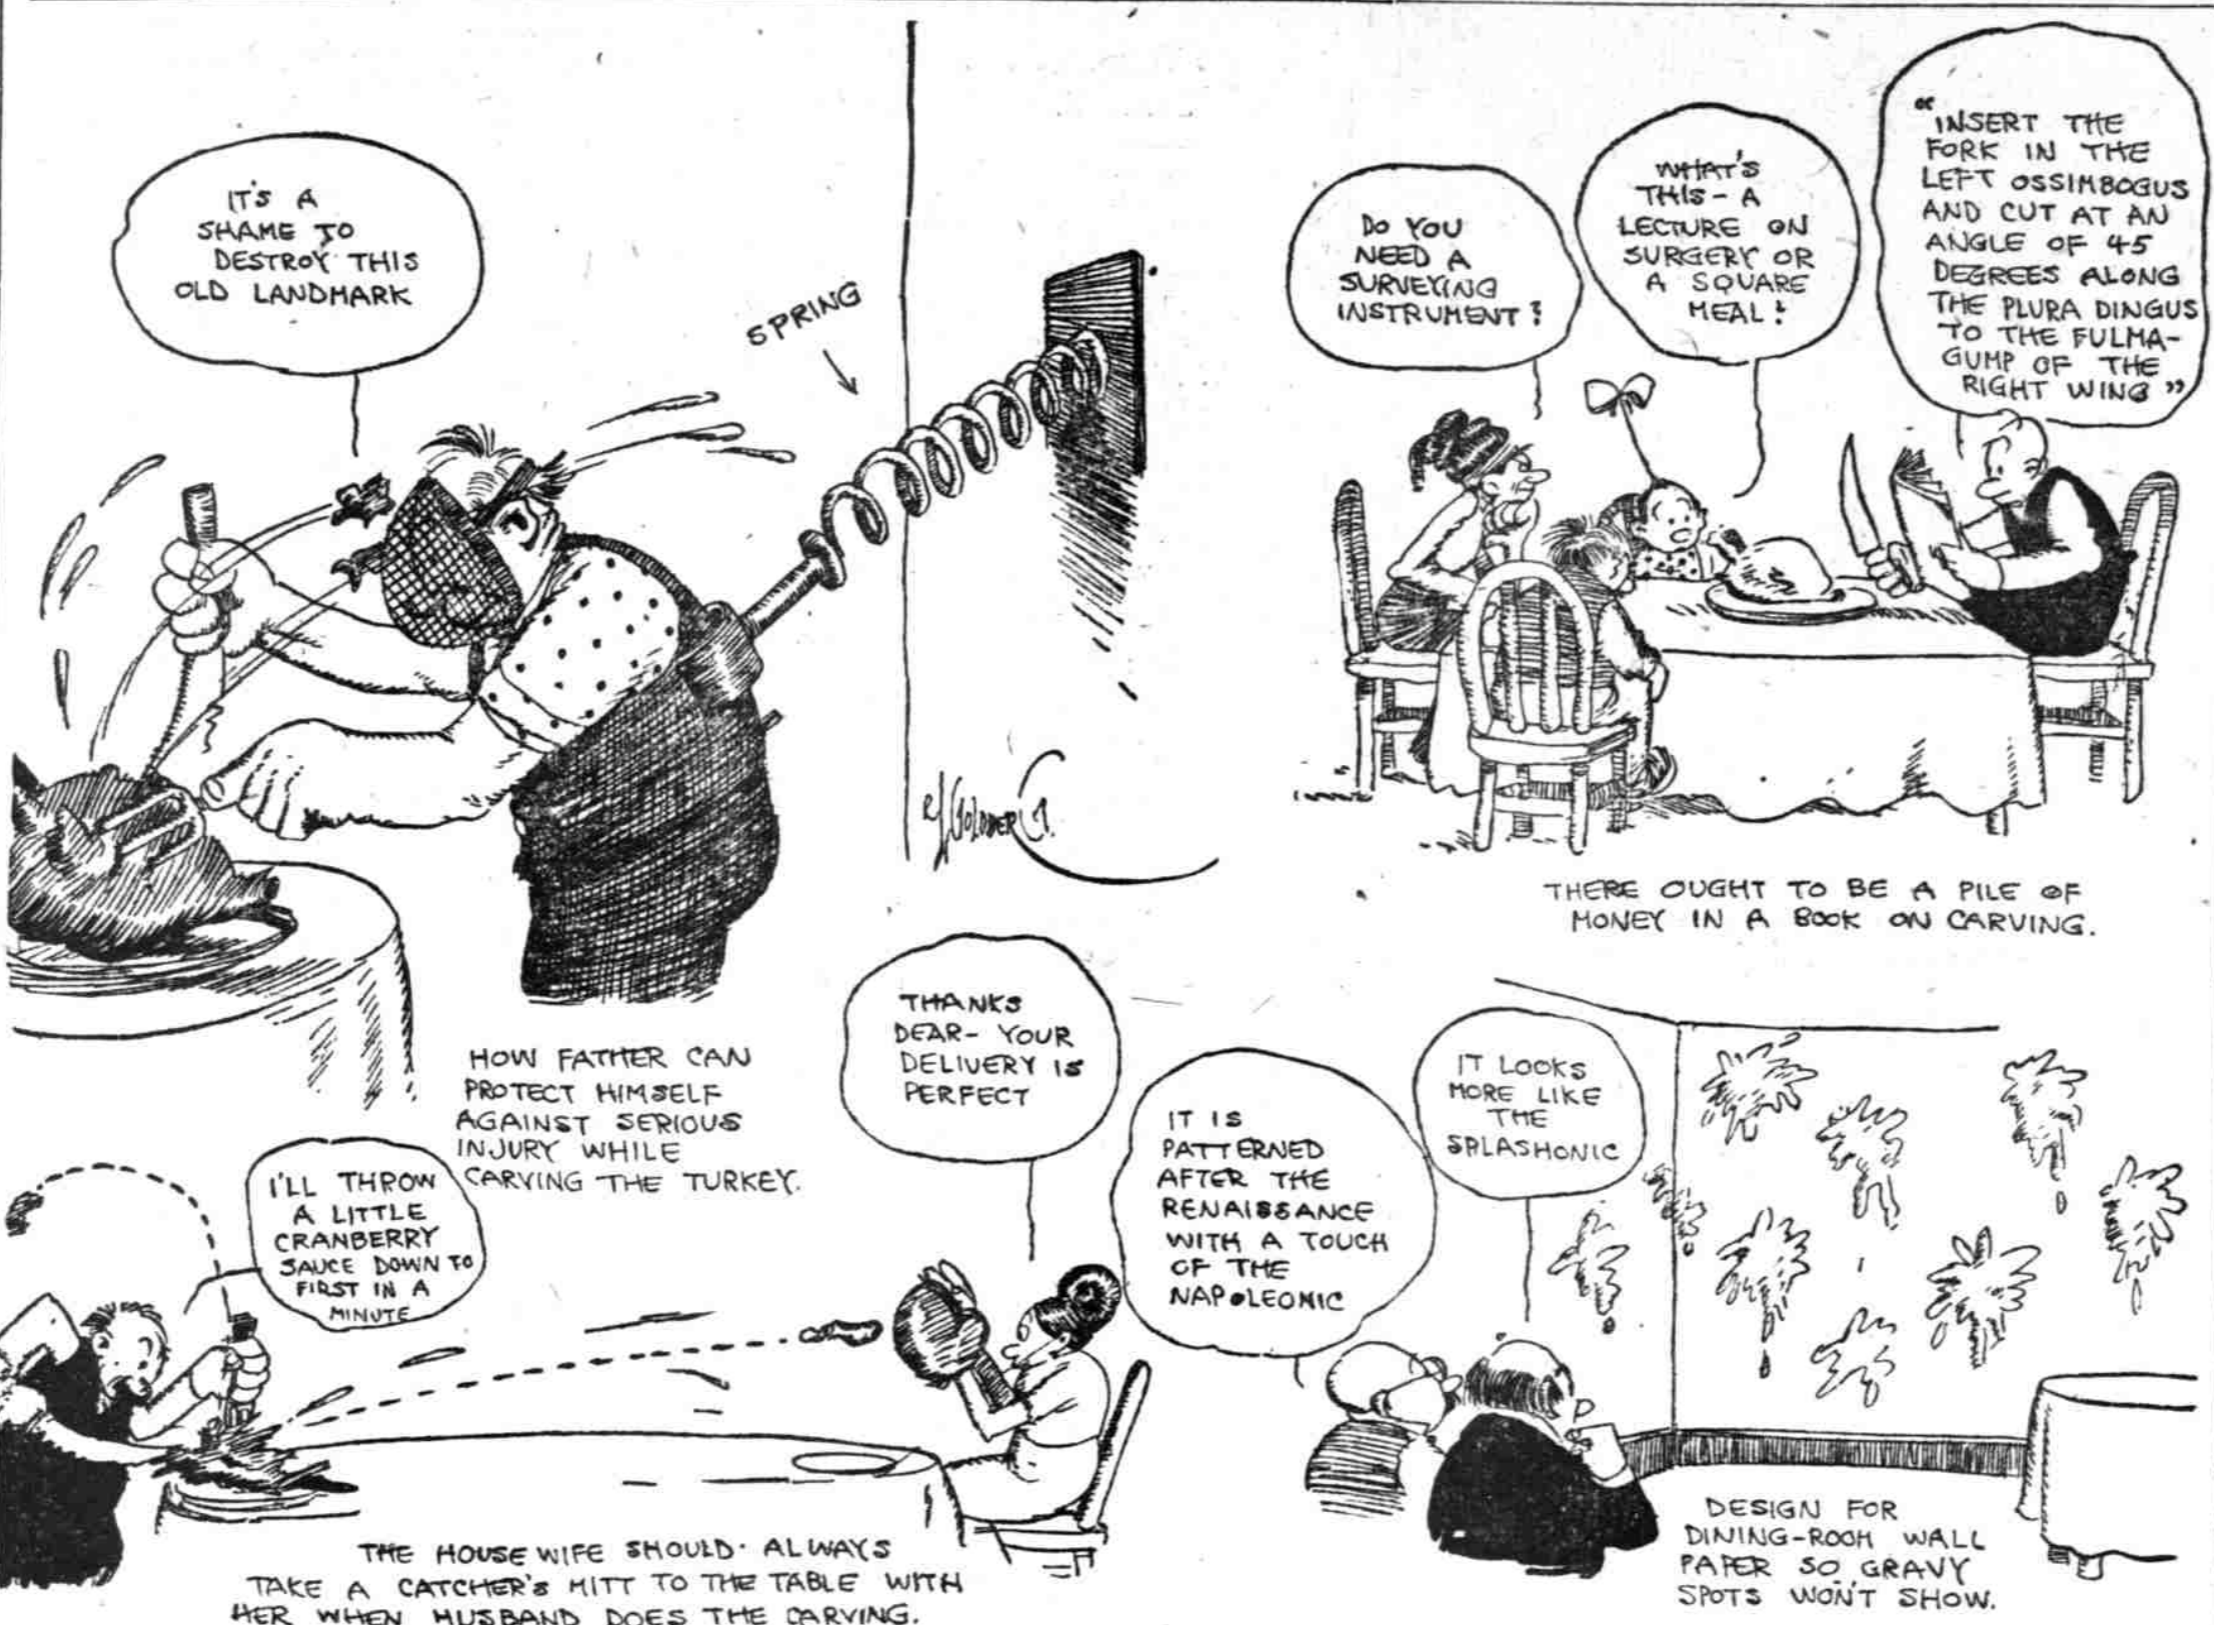

## Crescents Want Game.

The Crescent Club, of Baltimore, is anxious to arrange a double-header with some strong District team of several years-olds for July 4, to be played here.

The winners piled up 579 in the final game, Harley getting 115.

## Mrs. Connie Mack Sees Victories for Athletics

PHILADELPHIA, March 7.—Mrs. Connie Mack, wife of the manager of the world's champion Athletics, did not make the trip south to Savannah, but is closely following the work of the veterans and Yankees in the different camps.

She predicts another good season for the Athletics, and said yesterday: "Although I did not go south, as I appear to have done according to some of the reports, my heart is right now down South."

"I am naturally interested in the Athletics, and Connie tells me they are just as good as they were last year. I need hardly say that I feel sure the team will repeat its success of last year."

## Harvard Baseball Coach Stays for Two Seasons

CAMBRIDGE, March 7.—Harvard's baseball coach, Dr. Frank Sexton, has just been officially engaged for two seasons. He will coach this year's nine and that of 1912 under the terms of his contract. Thus Harvard's coaching policies are well established for a while. Houghton will coach the eleven in 1911 and 1912, anyway, and with Wray, of the crew, and Donovan and Quinn, of the track team coach and trainer, in line through 1912 the Crimson's athletics should go along smoothly.

## Two Cub Players Are Sent to the Hospital

NEW ORLEANS, March 7.—Tom Needham and Helne Zimmerman are the first of the Cubs to report for hospital duty. The injuries of both are slight.

## WAGNERS BOTTOM OF BOWLING LIST

Continue to Lead Saengerbund League Upside Down in Tourney.

The Wagners, of the Saengerbund Bowling League, have the rather unique and unenviable distinction of leading the league at the bottom in both team standing and average, and it is not likely they will lose their place in either before the season closes.

The Mozarts are away and above the other fives in team averages, with the Glucks running second. High team set belongs to the Mozarts also, with 2,647, and the same team shares the honor of high game with the Schuberts, with 917 each.

The Brahms are still topping the league in team standing, with the Mozarts close in the rear. In the individual standing De Yo dropped from third to fourth place. Following are the averages and standings:

## Noted Sportsman Dies.

REVERE, Mass., March 7.—Thomas Earley, a brother-in-law of Jem Macé, the noted English prizefighter, himself a pugilist of much fame years ago and well known in business and sporting circles in Boston, died at his home, in Revere. He was proprietor of the famous "Darkness and Dawn," one of the most popular theaters at this noted resort. A severe shock was the cause of his death.

Is that the rumble of thunder? No, it is the leftfielder coming in for a line drive. Will he get it? You bet he will; and that runner on second had better return. ## Three Baseball Season Tickets to Be Given Away

Three season passes, which will entitle each of the final owners to see every baseball game at the American League Park this season, are the prizes in the voting contest which William Hamm & Co. have announced as open to readers of their advertisements and patrons of their store. Contestants may cut the coupons from the daily advertisements, fill in their own name or that of some friend, and deposit them as ballots to determine the final ownership of the passes.

The three persons receiving the highest number of votes before April 29 will each be awarded a season pass, entitling them to a grandstand seat at every one of the season's games.

This original scheme of advertising ought to appeal to every baseball fan in Washington.

## Takoma Team Promises To Push Olympia League

If the application for entrance of the Takoma baseball team is looked upon with favor by the officials of the Olympia League, Captain Schrider promises that the other teams composing the circuit will have to look to their laurels.

Last season the Takoma nine was a member of the Suburban League, but for various reasons, chief among which was the failure of the players to show up for practice, the club did poorly. With Schrider at the helm this year, however, and with the signing of several clever players from the Suburban League, it is confidently expected by the management of the nine that it will be in the race from the start.

## Commercial Meeting.

Plans will be outlined and routine business transacted at the meeting of the Commercial League at R. P. Andrews' store, in Louisiana avenue, tonight.

## GALLAUDET REGRETS JONES' WITHDRAWAL

Captain Not to Compete in South Atlantic Mat Championship.

Adherents of the Gallaudet College wrestling team regret to hear that Leon P. Jones, the veteran captain of the Blue and Blue grapplers, has decided not to compete in the 125-pound class in the coming South Atlantic division of Amateur Athletic Union wrestling championship, which preliminaries will be held in the Carroll Institute gymnasium Saturday evening.

The reason for his withdrawal is his inability to come down to the required weight and his desire to see "Cowboy" Mosey, the present crack Gallaudet lightweight champion of the South Atlantic division and for past four years the 135-pound amateur wrestling champion, which preliminaries will be held in the Carroll Institute gymnasium Saturday evening.

Jones has ordered an elimination contest this week for the Kendall Green knights of the mat, so that he may decide upon the wrestling team to represent the east side college at the Carroll Institute preliminaries Saturday. Besides Mosey, Robert Conley, the heavyweight titleholder of the District by virtue of his easy victory over Barrett, Y. M. C. A. at the recent National Guard tournament, is sure to be at the Saturday preliminaries. The 145-pound class is the most sought for place at Gallaudet, and it is presumed Captain Jones cannot decide between the three veteran wrestlers, Gardner, Giedhill, and Bailey, before Thursday.

HARTFORD, Conn., March 7.—A revision of the football schedule of Trinity College gives Brown a game at Providence on November 24 and the dropping of West Point, which has always been an early game. Prof. R. G. Gettell, of the history department, has consented to again coach the team.

## ARMY MEN TO DINE BALTIMORE HUNTERS

Dinner Arranged for Friday Afternoon at Fort Myer Barracks.

BALTIMORE, Md., March 7.—Several Baltimore members of the United Hunts Club will be tendered a dinner Friday afternoon by the officers at Fort Myer, Va., who, in fact, will furnish the Baltimoreans a real program of entertainment. But the main feature of the gathering will be the discussion pertaining to the proposed relay race for officers, which is being contemplated by the United Hunts.

It has been proposed that the army officers ride a six-mile relay race, changing horses at the end of each mile. This race would be a feature on any track, and it is hoped that the officials will see their way clear to place such an event on their program for their spring meet.

The dinner will be given merely to promote the good-fellowship which already exists between the huntmen and the army officers. During the last meeting of the Hunts, when the army officers rode here, the Baltimoreans did everything within their power to properly entertain and care for their guests, and Baltimore hospitality once more scored a hit.

## MANHATTAN TEAM TO STAY IN LEAGUE

Decides Not to Quit the Independence for New "District" Circuit.

That the Manhattan baseball club will not leave the Independence League for the new "District" circuit was made evident at the meeting of the former organization at the residence of A. E. Riddle, 1229 North Capitol street. At the meeting the Manhattan team was represented and it was stated that no secession was intended. In fact, five of the six clubs of last year were represented, the only team that will not play again this year will be the Nassau nine. Applications from the Kendall A. C., Columbia, 101, and Excelsior teams were received, and are now under consideration.
